

Geometric Progression

Would you rather have \$100,000 right now.....
.....or a penny doubled every day for a month?

Day	Amount
1	\$0.01
2	\$0.02
3	\$0.04
4	\$0.08
5	\$0.16
6	\$0.32
7	\$0.64
8	\$1.28
9	\$2.56
10	\$5.12
11	\$10.24
12	\$20.48
13	\$40.96
14	\$81.92
15	\$163.84

Halfway there. Do you think it was a good choice to take the penny doubled every day? Sure doesn't look like it's adding up very fast. Let's get back to work!

Day	Amount
16	\$327.68
17	\$655.36
18	\$1,310.72
19	\$2,621.44
20	\$5,242.88
21	\$10,485.76
22	\$20,971.52
23	\$41,943.04
24	\$83,886.08
25	\$167,772.16
26	\$335,544.32
27	\$671,088.64
28	\$1,342,177.28
29	\$2,684,354.56
30	\$5,368,709.12

WOW -- Patience and Persistence DO pay off. That was worth the wait!!!
Ah, the power of a penny. Now turn that into customer/distributors in your downline.
